## Our Story .....

In the winter of 1999, Patronie's Pizza opened in Apex, the same winter that Apex saw 24 inches of snow overnight closing schools for two weeks. With all the restaurants closed and the utility companies working around the clock Patronies Pizza was there making Pizzas by candle light and gas fired ovens. From then on Patronies became seeded in the community. In 2008, Patronies relocated to Holden Beach, NC. They Found a 130+ year old building and began renovations in December 2008 and opened to the public August 2009. Due to the awesome popularity of of Patronies, in 2011 the restaurant was expanded to double the dining space and double the parking space. As 2015 rolled around, Patronies expanded again to increase kitchen and storage space to keep up with demand. With 2017 brought a movie production called "8 Slices" and Patronies made in onto the big screen. See you in Hollywood?!! 2020 was the definition of a roller coaster year and Patronies rode the ride and served pizzas anyway we could, including handing it out our side window!! 2023 brought the addition of our Wake Forest location, a new opportunity to serve a new community. With a focus on serving some of the best pizza around in an atmosphere that brings a smile to your face, we are excited to serve you. We hope you enjoy your visit and as always, we look forward to seeing you again soon !
